2. Installation Sequences

(1) Install Adobe Illustrator.

(2) Install PaSharp and make sure that your login account has administrator privilege

3. Startup Adobe Illustrator and activate PaSharp

You need to activate your license key. Please refer to "License Manager Manual.pdf" for how to activate your code.

Your license key version should be the same or higher than PaSharp installation version.

You can check the expired time of the license key from Illustrator menu \Help\About Founder Plug-ins\.

Please beware of the time limitation, and extend your license key in time.

For any other information, please go to visit www.foundereagle.com.
